CYO Scholarships through Friends of the ANU School of Music

The Friends of the ANU School of Music offer full tuition scholarships for up to FIVE students who participate in the Canberra Youth Orchestra program in 2017. Students are eligible if they are enrolled in:

- a degree program (BMus or advanced degree) at the ANU School of Music in 2017; OR
- an Open School of Music program at the ANU School of Music in 2017; OR
- a degree program at ANU and have enrolled in a MUSI course in 2017; OR
- a MUSI course as part of a degree program at another ACT institution in 2017.

Awarding of the scholarships is based on merit. Assessment will be based upon the CYO audition results and the completed application. Selection is decided by a Friends committee and based on an order-of-merit list of students who scored at least 85% in the audition. Successful and unsuccessful applicants will be advised by 28th February 2017.

Successful applicants may be asked to participate in Friends fund-raising concerts to assist in the perpetuation of the scholarship scheme. They should acknowledge support from both the Friends and MfC in their bios and at public performances.
